1. SOY RICE Place the rice in a pot with 200ml [400ml] of salted water. Cover with a lid and bring to a boil. Reduce the heat and simmer until the water has been absorbed, about 10 minutes. Remove from the heat and steam, 8-10 minutes. Fluff with a fork, toss through the soy sauce, edamame beans and cover.

2. GOLDEN CASHEWS Place the cashews in a pan over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside.

3. BROWN OSTRICH Place a pan over medium-high heat with a drizzle of oil. Pat the ostrich dry with paper towel and cut into small pieces. When hot, sear the ostrich until browned, 2-3 minutes (shifting occasionally). Remove from the pan. Season and set aside.

4. SWEET & SOUR Return the pan to medium-high heat with a drizzle of oil. Fry the onion until soft, 4-5 minutes (shifting occasionally). Add the garlic and pineapple. Fry until fragrant, 1-2 minutes (shifting constantly). Mix through the sweet 'n sour sauce and a sweetener (to taste). Stir through the ostrich and simmer until fully coated, 2-3 minutes and season.

5. SATISFYING SUPPER Serve up the soy-infused rice and smother in the sweet 'n sour ostrich. Finish with dollops of the mayo, scatter over the cashews and garnish with a sprinkle of chives. Well done, Chef!

Chef's Tip A touch of sweetness helps balance acidity, creating that irresistible sweet 'n' sour flavour.
