From Your Kitchen

Oil (cooking, olive OR coconut)
Seasoning (Salt & Pepper)
Water
Butter (optional)
Paper Towel

1. GET GOING Boil the kettle. Dilute the stock and herb mix with 360ml [480ml] of boiling water and set aside. Bring a pot of salted water to a boil for the pasta. Cook the pasta until al dente, 10-12 minutes. Drain, reserving some water and toss through a drizzle of olive oil.

2. FRY UP Place the sunflower seeds in a pan (large enough for the ostrich) over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside. Return the pan to high heat with a drizzle of oil. Pat the ostrich strips dry with paper towel. Fry until browned, 1-2 minutes (shifting occasionally). Remove from the pan, season, and set aside. Return the pan to medium-high heat with another drizzle of oil and a knob of butter (optional). Fry the mushrooms until golden, 5-6 minutes (shifting occasionally). Remove from the pan, add to the bowl of ostrich, and season.

3. SILKY SAUCE Wipe down the pan and return it to medium heat with a drizzle of oil. When hot, sauté the onion and carrot until softening, 5-6 minutes (shifting occasionally). Add the smoked paprika, garlic, and flour. Sauté until fragrant, 30-60 seconds. Gradually mix in the diluted stock mix, stirring continuously to prevent lumps. Bring to a simmer and cook until thickened, 6-8 minutes (stirring occasionally). Loosen with some pasta water if it's too thick.

4. SO CREAMY! When the sauce has thickened, add the ostrich, mushrooms, and spinach, and simmer until cooked through, 1-2 minutes. Stir in the sour cream until combined, 1-2 minutes. Season and remove from the heat.

5. NEXT LEVEL YUM! Plate up the pasta, spoon over the creamy ostrich and sprinkle over the sunflower seeds. Voilà, Chef!

Chef's Tip Mixing pasta water into your sauce is a great way to enhance it all round! The starch content adds a silky richness to the texture and the salt content lends extra flavour.
