Oil (cooking, olive or coconut)
Salt & Pepper
Water
Blender
Butter (optional)
Sugar/Sweetener/Honey

1. LENTS GET IT STARTED Place a pot over a medium heat with a drizzle of oil and a knob of butter (optional). When hot, fry the diced onion, grated garlic and ginger for 3-5 minutes until starting to brown. Add the turmeric curry rub, 10ml of a sweetener of choice and the rinsed lentils. Mix until fully combined and fry for 1-2 minutes until fragrant. Pour in the tomato passata, the coconut milk and 300ml of water. Reduce the heat and leave to simmer for 20-25 minutes or until the lentils are cooked through and reduced.

2. FLUFFY BROWN RICE Place the rice in a pot over a medium-high heat. Submerge in 300ml of salted water and pop on a lid. Once boiling, reduce the heat and simmer for 25-30 minutes until most of the water has been absorbed. Keeping the lid on, remove from the heat and steam for 10 minutes. On completion, drain if necessary and fluff up with a fork.

3. FANCY CORIANDER OIL Boil the kettle. Fill a bowl with ice water. Fill a pot with boiling water, place over high heat, and bring back up to the boil. Once boiling, add the rinsed coriander and blanch for about 10 seconds. On completion, dunk in the ice water. Remove from the ice water and roughly tear. Place in a blender with 50ml of olive oil. Blend until smooth and frothy. On completion, strain through a sieve or tea towel and leave in the fridge until serving.

4. DOM DOM DOM! Return the pot to a medium-high heat with enough oil to cover the base. When hot, shallow fry the poppadoms one at a time for 30 seconds per side. As soon as the poppadom starts curling, use a spatula or tongs to flip it over and flatten it out. Keep flipping and flattening until golden and puffed up.

5. GET THOSE GREENS When the curry has 5 minutes remaining, stir through the rinsed spinach and the paneer cubes. Cook until the spinach is wilted and the paneer warmed through. Season to taste and remove from the heat.

6. DIG IN! Plate up the fluffy brown rice. Top with a hearty spoonful of the lentil curry, and drizzle over the homemade coriander oil. Side with the crispy poppadoms. Dig in, Chef!
