1. CUMIN BUTTERNUT Preheat the oven to 200°C. Spread the butternut on a roasting tray. Lightly coat with cooking spray or a drizzle of oil (optional), cumin, and seasoning. Roast in the hot oven until golden, 30-35 minutes (shifting halfway). Alternatively, air fry at 200°C until crispy, 25-30 minutes (shifting halfway).

2. MAKE IT A MEDLEY Place the kale in a bowl and lightly coat in cooking spray or a drizzle of oil (optional) and seasoning. Using your hands, massage until softened and coated. When the butternut has 8-10 minutes to go, scatter over the dressed kale, beans, ½ the oregano, and roast for the remaining time until crispy.

3. SPICY SAUCE In a bowl, combine the yoghurt, the remaining oregano, and the jalapeños (to taste). Season and mix in water in 5ml increments until drizzling consistency.

4. BROWN THE BEEF STRIPS Place a pan over high heat with cooking spray or a drizzle of oil and a knob of butter. Pat the beef strips dry with paper towel, coat with the NOMU rub and season. When hot, fry the beef strips until browned, 20-30 seconds (shifting occasionally). Remove from the pan and reserve any pan juices.

5. LOOKS DELICIOUS, CHEF! Make a bed of the kale and beans. Top with the butternut, the seared beef and the pan juices (to taste). Drizzle over the creamy jalapeños and dig in!
