Oil (cooking, olive or coconut)
Salt & Pepper
Water
Paper Towel

1. PEPPERS & PORK Place a pan over medium-high heat with a drizzle of oil. Pat the pork dry with paper towel and cut into strips. When hot, fry the pork strips until browned, 3-4 minutes per side. Add the pepper strips, the sliced spring onion, the Mexican spice (to taste), and seasoning. Fry until lightly charred, 3-4 minutes (shifting occasionally).

2. TOAST THE TORTILLA Place a clean pan over medium heat. When hot, toast each tortilla until warmed through, 30-60 seconds per side. Alternatively, spread them out on a plate in a single layer and heat up in the microwave, 30-60 seconds.

3. HAVO SOME AVO Halve the avocados and remove the pips. Peel the skin off, keeping the flesh intact. Thinly slice the avocado and season.

4. MOUTHWATERING MEXICAN MEAL Smear the tortillas with the sour cream. Top with the rinsed green leaves, the pork strips & veg, the sliced avo, the drained jalapeños, and the drained peppers.
