Oil (cooking, olive or coconut)
Seasoning (salt & pepper)
Water
Paper Towel
Butter

1. NUTS, VEG & SWEET VINEGAR Place the almonds in a pan over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside. Return the pan to medium heat with a drizzle of oil. When hot, fry the baby marrow until golden, 4-5 minutes (shifting occasionally). In the final 1-2 minutes, add the spring onion and fry until golden. Remove from the pan and place into a bowl. Season and toss with the sweet vinegar.

2. NOMU-SPICED OSTRICH Place a clean pan over medium-high heat with a drizzle of oil. Pat the ostrich dry with paper towel. When hot, sear the ostrich until browned, 2-3 minutes per side (for medium-rare). In the final 1-2 minutes, baste with a knob of butter and the NOMU rub. Remove from the pan and set aside to rest for 5 minutes before slicing and seasoning.

3. BEAUTIFUL SALAD Just before serving, toss the salad leaves, the figs, ½ the nuts, and the feta through the spring onions and baby marrows along with a drizzle of olive oil and seasoning.

4. WHAT A PLATE! Plate up the charred baby marrow salad and serve alongside the ostrich. Scatter over the remaining nuts.
