**with butter bean mash, onion petals & toasted pumpkin seeds**

Feta can be used for so much more than just crumbling into a salad. Like this dinnertime highlight: a beautiful feta & white cheddar bechamel sauce. This delectable liquid is poured over juicy ostrich steak slices, a rich butter bean mash, and a zesty veggie medley of shredded kale & onion petals. Garnished with toasted pumpkin seeds.

## From Your Kitchen

Oil (cooking, olive or coconut)  
Salt & Pepper  
Water  
Milk (optional)  
Blender  
Paper Towel  
Butter

**1. TOAST** Place the pumpkin seeds in a pan over medium heat. Toast until golden brown, 3-4 minutes (shifting occasionally). Remove from the pan and set aside.

**2. ONION PETALS & KALE** Separate the layers of the onion wedges into petals. Return the pan to medium heat with a drizzle of oil. When hot, fry the onion petals until lightly golden, 4-5 minutes. Add the shredded kale and fry until wilted, 2-3 minutes. Remove from the pan, add a squeeze of the lemon juice (to taste), and season.

**3. SILKY MASH** Place a pot over medium-high heat with the rinsed beans and 80ml of milk (optional) or water. Once boiling, remove from the heat and stir in a drizzle of oil or a knob of butter (optional). Place in a blender or mash with a fork until the desired consistency. If it's too thick, add a splash of milk (optional) or water. Season and cover.

**4. STEAK** Return the pan to medium-high heat with a drizzle of oil. Pat the ostrich dry with paper towel. When hot, sear the ostrich until browned, 2-3 minutes per side (for medium-rare). In the final 1-2 minutes, baste with a knob of butter. Remove from the pan and set aside to rest for 5 minutes before slicing and seasoning.

**5. FETA SAUCE** Place a small pot over medium heat with 30g of butter. Once melted, add the grated garlic and the flour. Cook until lightly golden, 1-2 minutes. Slowly whisk in the milk until the sauce thickens. Loosen with a splash of water if it's too thick. Add the drained feta and the grated cheese. Cook until melted and chunky. Remove from the heat.

**6. TIME TO DINE** Plate up the butter bean mash. Side with the kale & onion, and the steak slices. Drizzle over the feta sauce, and garnish with the toasted pumpkin seeds. Finish off with a squeeze of lemon juice.
