1. **NOODLES** Boil the kettle. Place the noodles in a bowl and submerge in boiling water. Cook in the microwave until al dente, 12-15 minutes. Drain by placing a plate over the bowl, leaving a small gap for the water to drain, and tilting the bowl over a sink into another bowl to reserve the water.
2. **LUNCH IS READY** In a bowl, combine the noodles, the pesto, the peas, the sunflower seeds, and the olives. Loosen with the reserved water until saucy consistency and season. Sprinkle over the cheese and enjoy!
