1. RICE Place the rice in a pot with 600ml [800ml] of salted water. Cover with a lid and bring to a boil. Reduce the heat and simmer until the water has been absorbed, 8-10 minutes. Remove from the heat and set aside to steam, 8-10 minutes. Fluff with a fork and cover.

2. BROWN THE STRIPS Place a pan over high heat with a drizzle of oil a knob of butter. Pat the ostrich dry with paper towel. When hot, fry the ostrich until browned but not cooked through, 30-60 seconds (shifting occasionally). Remove from the pan and season. You may need to do this step in batches. Remove from the pan and season.

3. SIMPLE STEW Return the pan to medium heat with a drizzle of oil if necessary. Fry the carrots and onions until turning golden, 8-10 minutes (shifting occasionally). Add the spice blend and fry until fragrant, 2-3 minutes. Mix in the tomato passata and 450ml [600ml] of water. Bring to a boil and simmer until thickening and the carrots are cooked through and tender, 15-20 minutes. In the final 2-3 minutes, mix in the ostrich, ½ of the parsley, and season. Remove from the heat and add a sweetener (to taste).

4. ZINGY CUCUMBER In a bowl, combine the lemon juice with a drizzle of olive oil. Add the cucumber, the remaining parsley, toss to combine, and season.

5. DINNER IS READY Make a bed of the rice, spoon over the ostrich stew, and serve alongside the herby cucumber. Enjoy, Chef!

Chef's Tip Let the stew simmer gently to thicken and deepen the flavour.
