## From Your Kitchen

Oil (cooking, olive or coconut)  
Salt & Pepper  
Water  
Blender  
Butter (optional)

**1. CRISP THE CAULI** Preheat the oven to 200°C. Spread out the cauliflower pieces on a roasting tray, coat in oil, and season. Roast in the hot oven for 25-30 minutes until cooked through and becoming crispy, shifting halfway.

**2. GOLDEN HUMMUS** Place a small pot over a medium-high heat with a drizzle of oil or knob of butter. Add in the grated garlic and sauté for 2-3 minutes until fragrant. Stir in the drained butter beans and 100ml of water. Bring to a simmer and cook for 4-5 minutes, stirring occasionally. Remove from the heat on completion and stir through the turmeric. Transfer to a blender or food processor and blend until a thick hummus. If too thick, gradually mix in water in small increments. Season, return to the pot, and cover with a lid. Set aside to keep warm until serving.

**3. MIGHTY SEEDS & GREENS** Place the sesame seeds in a pan over a medium heat. Toast for 2-4 minutes until lightly browned, shifting occasionally. Remove from the pan on completion and set aside to cool. Toss a drizzle of oil and some seasoning through the rinsed green leaves.

**4. DETOXIFYING WRAPS** When the cauliflower has 5 minutes remaining, return the pan to a medium-high heat. When hot, dry toast the wraps one at a time for about 30 seconds per side until warmed through. On completion, cut each one into quarters.

**5. PILE IT UP!** Generously smear the golden hummus on one side of a plate and top with the crispy cauli. Dollop over the jalapeño relish and crumble over the drained feta. Garnish with the toasted sesame seeds, the sliced mint, and the sliced chilli to taste. Side with the dressed leaves and the toasted wrap quarters to bring it all together. Delish!

## Chef's Tip

Reserve any remaining sliced chilli and keep it in the fridge to use in another meal.
