1. PERFECT PASTA Bring a pot of salted water to a boil for the pasta. Cook the pasta until al dente, 10-12 minutes. Drain and toss through a drizzle of olive oil.

2. CORN & ONION Place a pan over medium-high heat with a drizzle of oil. When hot, fry the corn and the onion until lightly charred, 3-4 minutes (shifting occasionally). Remove from the pan and set aside.

3. NOMU-SPICED CHICKEN Return the pan to medium heat with a drizzle of oil and a knob of butter. Pat the chicken dry with paper towel. Coat with the NOMU rub and season. Fry the chicken until golden and cooked through, 1-2 minutes per side. Remove from the pan and set aside, reserving any pan juices that remain.

4. HOMEMADE DRESSING In a blender, blitz together the feta, the garlic (to taste), the creamy mayo, a drizzle of olive oil, and seasoning until smooth. Loosen with water in 5ml increments until drizzling consistency. Mix the corn and onion, and the pasta together. Toss through the creamy dressing and season.

5. TIME TO ENJOY! Dish up the loaded pasta. Top with the basil and chicken, drizzling over the pan juices. Dinner is served, Chef!
