## From Your Kitchen

Oil (cooking, olive or coconut)  
Seasoning (salt & pepper)  
Water  
Paper Towel  
Butter

**1. BEGIN WITH BUTTERNUT** Preheat the oven to 200°C. Spread the butternut and the onion on a roasting tray. Coat in oil and the jerk seasoning. Roast in the hot oven until golden, 30-35 minutes (shifting halfway). Alternatively, air fry at 200°C until crispy, 30-35 minutes (shifting halfway).

**2. LET'S SALSA** To a bowl, add the pineapple, spring onion (to taste), coriander, chilli (to taste), and ½ the lemon juice (to taste). Toss to combine, season, and set aside in the fridge.

**3. ZESTY OIL** In a small bowl, combine the remaining lemon juice, the garlic, ½ the parsley, and a drizzle of oil. Set aside.

**4. CRISPY FISH** Place a pan over medium-high heat with a drizzle of oil. In a shallow dish, season the flour. Pat the swordfish dry with paper towel, and coat in the seasoned flour. When hot, fry the fish until golden and cooked through, 2-3 minutes per side (depending on the thickness of the fish fillet). In the final minute, baste with a knob of butter and the garlic and parsley mixture. Remove from the pan, reserving the herby garlic butter, and season.

**5. A TASTE OF THE CARIBBEAN** Serve the roasted butternut and onion alongside the crispy fish. Drizzle the reserved herby butter over the fish and serve the pineapple and fresh chilli relish on the side. Garnish with the remaining parsley.
