## Ingredients & Prep

---

150ml	Quinoa
100ml	Low Fat Plain Yoghurt
1	Tomato
100g	Cucumber
50g	Pitted Kalamata Olives <i>drained</i>
40g	Green Leaves <i>rinsed</i>
320g	Free-range Lamb Rump
20ml	NOMU Provençal Rub

## From Your Kitchen

---

Oil (cooking, olive or coconut)  
Salt & Pepper  
Water  
Paper Towel  
Butter

**1. FLUFFY QUINOA** Rinse the quinoa and place in a pot. Submerge in 400ml of salted water and place over a medium-high heat. Pop on a lid and bring to a simmer. Cook for 12-15 minutes until the quinoa is tender and its tails have popped out, adding more water if required during cooking. On completion, drain if necessary and return to the pot. Replace the lid and leave to stand off the heat for at least 5 minutes.

**2. SOME PREP & SALAD** Roughly dice the tomatoes and cucumber and roughly chop the drained olives. Place the diced cucumber, the diced tomato, and the chopped olives in a salad bowl. Add a drizzle of oil, and season. Just before serving, add the cooked quinoa and the rinsed green leaves to the salad bowl. Toss until fully combined.

**3. FRY THE LAMB** Place a pan over a medium-high heat with a drizzle of oil. Pat the lamb rump dry with some paper towel and season. When the pan is hot, sear the steaks fat-side down, for 3-5 minutes until crispy. Then, fry for 3-4 minutes per side, or until cooked to your preference (this time frame may depend on the thickness of the steaks). During the final 1-2 minutes, baste with a knob of butter and the rub. Remove from the pan on completion and allow to rest for 5 minutes before slicing. Lightly season the slices.

**4. DINNER IS SERVED** Make a bed of the quinoa salad. Top with the lamb slices, and drizzle over any pan juices. Finish with a dollop of yoghurt. Well done, Chef!
