125ml	160ml	Buttanut Macadamia Nut Yoghurt
3	4	Avocados <i>cut in half &amp; peel</i>
30ml	40ml	Old Stone Mill Everything Bagel Spice

## From Your Kitchen

Oil (cooking, olive or coconut)  
Seasoning (salt & pepper)  
Water  
Sugar/Sweetener/Honey

**1. BEAN THERE, DONE THAT** Boil the kettle. Dilute the stock with 160ml [200ml] of boiling water and set aside. Place a pan over high heat with a drizzle of oil. When hot, fry the corn and the black beans until slightly charred, 5-7 minutes (shifting occasionally). Lower the heat, and stir in the stock, the peppers, and ½ the chilli flakes (to taste). Simmer until slightly reduced, 1-2 minutes. Add a sweetener and seasoning. Transfer to a bowl, cover, and set aside.

**2. VEGGIES & YOGHURT DRIZZLE** In a salad bowl, toss the green leaves, the cabbage and carrot mix, and a drizzle of olive oil, and the lemon juice. Set aside. In a separate bowl, add the yoghurt and seasoning.

**3. SPICE THE AVO** Coat the avocado in the bagel spice and seasoning.

**4. PLATE UP AND ENJOY** Bowl up the zingy slaw and the spicy beans & corn. Top with the avocado and a drizzle of the yoghurt. Finish it off with any remaining chilli flakes (to taste). Dig in, Chef!

**Chef's Tip** Drizzle some lemon juice over the avocado to prevent browning.
