1. SAVOURY RICE Place a pot big enough for the rice over medium heat with a drizzle of oil. When hot, fry the onion and carrot until soft, 4-5 minutes (shifting occasionally). Add the rice and 200ml [400ml] of salted water. Cover with a lid and bring to a boil. Reduce the heat and simmer until the water has been absorbed, about 10 minutes. Remove from the heat and steam, 8-10 minutes. In the final 5 minutes, add the peas to warm through. Fluff with a fork and cover.

2. SESAME SEEDS & MAYO Place the sesame seeds in a pan over medium heat. Toast until golden brown, 2-3 minutes (shifting occasionally). Remove from the pan and set aside. In a small bowl, loosen the kewpie mayo with water until drizzling consistency.

3. O-YUM PORK NECK Return the pan to high heat with a generous drizzle of oil. Pat the pork dry with paper towel and cut into 1cm strips. Coat the pork in the spiced flour and sear until browned and cooked through, 3-4 minutes (shifting occasionally). Reduce the heat and add a generous knob of butter and the sriracha honey. Stir until coated. Season and remove from the heat.

4. SWEET & SAVOURY Plate up the loaded rice, topped with the sticky pork strips. Scatter over the sweet piquanté peppers and spring onion (to taste). Drizzle over the kewpie mayo and finish off with the sesame seeds. Dinner is ready to go, Chef!
