Oil (cooking, olive or coconut)  
Seasoning (Salt & Pepper)  
Water  
Paper Towel  
Sugar/Sweetener/Honey  
Butter

**1. ROAST** Preheat the oven to 200°C. Place the kale in a bowl with a drizzle of olive oil and seasoning. Using your hands, massage until softened and coated. Spread the beetroot on a roasting tray. Coat in oil and season. Roast in the hot oven until crispy, 25-30 minutes (shifting halfway). Alternatively, air fry at 200°C until cooked through, 25-30 minutes (shifting halfway).

**2. FRY THE STRIPS** When the roast has 10-15 minutes remaining, place a pan over medium-high heat with a drizzle of oil. Pat the beef strips dry with paper towel. When hot, sear until browned, 20-30 seconds (shifting occasionally). In the final 15 seconds, baste with a knob of butter. Remove from the pan and season.

**3. FRY THE CORN & BEANS** Return the pan to medium heat with a drizzle of oil and a knob of butter. When hot, fry the corn until lightly charred, 4-5 minutes (shifting occasionally). In the final 2-3 minutes, add the Mexican spice mix and the beans. Mix until warmed through. Remove from the heat and season.

**4. SPICY YOGHURT** When the beetroot has 10 minutes remaining, give the tray a shift and scatter over the dressed kale. Roast for the remaining time. In a small bowl, combine the yoghurt and the chipotle (to taste). Add a splash of water until drizzling consistency, a sweetener (to taste), and seasoning.

**5. JUST BEFORE SERVING** Toss together the roasted beetroot and kale, the corn and beans, the peppers, the beef strips, the lime juice, and seasoning. In a small bowl, season the avo hummus.

**6. SPICY DINNER** Bowl up the loaded beef strips, drizzle over the spicy yoghurt, cover with dollops of avo hummus, and that's it, Chef. Enjoy!
