Ingradiants & Prop Actions

Water

- 1. LET'S BEGIN Boil the kettle. Place the couscous and lentils in a bowl with 225ml [300ml] of boiling water and seasoning. Cover and steam until rehydrated, 5-8 minutes. Fluff with a fork.
- 2. CREAMY CURRY SALAD In a small bowl, combine the curry powder and the yoghurt. Loosen with water in 5ml increments until drizzling consistency. Season and set aside. In a separate bowl, combine the couscous and lentils, the coriander, the sultanas, the tomatoes, and season.
- 3. TIME TO DIG IN Drizzle over the curried yoghurt. Crumble over the feta and scatter over the nuts. Aitsa, Chef!
