1. LET'S GO! Place the rice in a pot with 200ml [400ml] of salted water. Cover with a lid and bring to a boil. Reduce the heat and simmer until the water has been absorbed, about 10 minutes. Remove

2. FRY THE VEG Place a pan over medium heat with a drizzle of oil. When hot, fry the onion and the carrot until golden, 5-6 minutes (shifting occasionally). In the final 30-60 seconds, mix in the NOMU

3. BABY TOMATOES Return the pan to medium heat with a drizzle of oil, if necessary. Fry the tomatoes until lightly charred, 4-5 minutes (shifting occasionally). Remove from the pan and add to the onion

4. HALLO HALLOUMI Return the pan, wiped down, to medium heat with a drizzle of oil. When hot, fry the halloumi until crispy and golden, 1-2 minutes per side. Remove from the pan and drain on paper towel. Combine the honey mustard and lemon juice (to taste). Just before serving, combine the rice

5. JUST LOOK AT THAT! Make a bed of the loaded rice and top with the halloumi. Drizzle over the creamy mustard sauce and sprinkle over the almonds. Garnish with the parsley. Well done, Chef!
