1. LET'S GO! Place the rice in a pot with 600ml [800ml] of salted water. Cover with a lid and bring to a boil. Reduce the heat and simmer until the water has been absorbed, about 10 minutes. Remove from the heat and steam, 8-10 minutes. Fluff with a fork and cover.

2. FRY THE VEG Place a pan over medium heat with a drizzle of oil. When hot, fry the onion and the carrot until golden, 6-8 minutes (shifting occasionally). In the final 1-2 minutes, mix in the NOMU rub. Remove from the pan.

3. BABY TOMATOES Return the pan to medium heat with a drizzle of oil if necessary. Fry the tomatoes until lightly charred, 5-6 minutes (shifting occasionally). Remove from the pan and add to the onion mixture and season.

4. HALLO HALLOUMI Return the pan, wiped down, to medium heat with a drizzle of oil. When hot, fry the halloumi until crispy and golden, 1-2 minutes per side. Remove from the pan and drain on paper towel. Combine the honey mustard and lemon juice (to taste). Just before serving, combine the rice with the onion and tomato mixture.

5. JUST LOOK AT THAT! Make a bed of the loaded rice and top with the halloumi. Drizzle over the creamy mustard sauce and sprinkle over the almonds. Garnish with the parsley. Well done, Chef!

Chef's Tip Place the almonds in a pan over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside.
