From Your Kitchen

Oil (cooking, olive or coconut)
Seasoning (salt & pepper)
Water
Cling Wrap
Sugar/Sweetener/Honey
Egg/s
Milk (optional)

1. MIX THE DOUGH Preheat the oven to 200°C. Boil a kettle. Place 500ml [650ml] (about ¾) of the flour in a bowl. Using your fingers, rub the butter into the flour. The final mixture should look like coarse breadcrumbs. In a separate bowl, whisk 2 eggs and a pinch of salt. Using a fork, mix in ¼ of the eggs into the flour mixture. Using your hands, bring the dough together. You don't want to over knead the mixture! Wrap in cling wrap and set aside in the fridge.

2. FAB FILLING Place a pot over medium-high heat with a drizzle of oil. When hot, fry the leeks until soft, 3-4 minutes (shifting occasionally). Add the beef pieces, the mushrooms, and the NOMU rub. Fry until fragrant, 2-3 minutes (shifting occasionally). Add 3 [4] tbsps of the remaining flour and the wine. Mix until the flour is incorporated. Add the beef stock and 300ml [400ml] of boiling water. Simmer, uncovered, until the beef is soft and the sauce has reduced, 4-5 minutes. If the meat is not soft, add an extra splash of water and continue simmering until soft. In the final minute, mix through the peas and seasoning.

3. GOLDEN PASTRY Sprinkle some of the remaining flour on a flat surface. Remove the pastry from the fridge and place on the sprinkled flour. Dust a rolling pin (or a bottle) and roll out the dough until it's thin. Spoon the pie filling into either individual ramekins or a deep oven-proof dish. Carefully lay the rolled out shortcrust pastry on top of the pie filling, trim off any excess, and push down the edges to seal. Lightly brush the top of the pastry with milk or egg and use a knife to pierce a few holes in the pastry. Bake in the hot oven until the pastry is golden and cooked through, 25-30 minutes.

4. LET'S SALSA While the pie is cooking, place the tomato, ½ the parsley, and the lemon juice (to taste) in a bowl. Toss to combine and season.

5. IN PIE WE CRUST! Serve up a hearty helping of beef pot pie. Serve the salsa on the side and dig in, Chef!

Chef's Tip If you're feeling fancy, use a fork to crimp the edges of the pastry to create a pretty pattern!
