## From Your Kitchen

Oil (cooking, olive or coconut)  
Seasoning (salt & pepper)  
Water  
Paper Towel

**1. NOMU-SPICED POTATOES** Preheat the oven to 200°C. Spread the potato on a roasting tray. Coat in oil and the NOMU rub. Roast in the hot oven until crispy, 30-35 minutes (shifting halfway). Alternatively, air fry at 200°C until crispy, 25-30 minutes (shifting halfway).

**2. MARINATED MUSHROOMS** In a large bowl, mix together the yoghurt, ½ the lemon juice and seasoning. Add in the mushrooms and marinate them for 10 minutes. In another bowl add the coating spice. When the mushrooms have finished marinating, place a pan over medium heat with 3-4cm of oil. While the oil is heating up, gently lift the mushrooms out of the yoghurt mixture and coat them in coating spice, one by one. When the oil is hot, fry the mushrooms until golden, 2-4 minutes a side. Remove from the pan and drain on paper towel.

**3. CHILLI DIP & SALAD** In a small bowl, mix the chilli sauce, ginger and spring onion whites. Loosen with a splash of water. In another bowl, toss together the green leaves, the cucumber, the remaining lemon juice and a drizzle of olive oil. Set aside.

**4. MOUTHWATERING MORSELS** Plate up the salad. Side it with your golden potato wedges and crispy mushroom bites. Scatter over the spring onion greens and side with the chilli sauce for dipping.

**Chef's Tip** To keep fried mushrooms crisp, place them on an oven rack instead of paper towels—this prevents steaming and keeps them crunchy.
