1. RICE RICE BABY Preheat the oven to 200°C. Rinse the rice and place in a pot with 900ml of salted water. Pop on a lid and place over a medium heat. Once boiling, reduce the heat and simmer for 30-35 minutes until the water has been absorbed. If it starts to dry out, add more water in small increments to continue cooking. It should be tender but still bouncy. Remove from the heat and drain if necessary. Cover with the lid and set aside until serving.

2. COAT THE CAULI Spread out the cauliflower chunks and the onion wedges on a roasting tray. Coat in oil, the rub, and season. Roast in the hot oven for 30-35 minutes until cooked through, shifting halfway.

3. PAMPER THOSE VEGGIES Place the shredded kale on a second roasting tray with a drizzle of oil and some seasoning. Using your hands, gently massage until softened and coated. Set aside.

4. SOMETHING TO CASHEW ON Place the cashews in a pan over a medium heat. Toast for 3-5 minutes until golden, shifting occasionally. Remove from the pan and roughly chop.

5. IN A PICKLE & VINAIGRETTE In a bowl, combine the vinegar, 15ml of a sweetener of choice and add water in 5ml increments until drizzling consistency. Add the radish rounds and set aside to pickle.

6. CRISP IT UP When the roast reaches the halfway mark, give them a shift and return to the oven. Pop in the tray of kale and cook for the remaining roasting time until crispy.

7. HALLO AVO Halve the avocados and set aside one of the halves containing a pip for another meal. Peel off the skin, and slice the flesh of the remaining halves. Season and set aside. Drain and reserve the pickling liquid from the radish. Loosen the pesto with the pickling liquid until drizzling consistency.

8. TIME TO DINE Plate up the black rice. Top with the roasted veg, the crispy kale, the pickled radish, the avocado slices, and the chopped coriander. Drizzle over the pesto dressing and sprinkle over the sesame seeds and toasted cashew nuts. Get munching, Chef!

Chef's Tip

If you would like to toast your sesame seeds, place them in a pan over a medium heat. Toast for 2-4 minutes until lightly browned. Remove from the pan and set aside to cool.
