Oil (cooking, olive or coconut)
Salt & Pepper
Water

1. BOUNCY RED RICE Preheat the oven to 200°C. Rinse the rice and place in a pot over a medium heat. Submerge in 200ml of salted water and pop on a lid. Once boiling, reduce the heat and simmer for 25-30 minutes until the water has been absorbed. On completion, the rice should be cooked but still bouncy. If it starts to dry out during the cooking process, add more water in small increments. Remove from the heat on completion and drain if necessary. Cover with the lid.

2. DRESS TO IMPRESS Spread out the beetroot chunks on one side of a roasting tray. Coat in oil, ½ of the pomegranate molasses, and some seasoning. Spread out the butternut pieces and drained butter beans on the other side of the tray. Coat in oil, the Moroccan rub, and a little seasoning. Roast in the hot oven for 25-30 minutes until cooked through and crisp, shifting halfway.

3. TOAST THOSE NUTS Place the pecan nuts in a pan over a medium heat. Toast for 5-6 minutes until golden, shifting occasionally. Remove from the pan on completion and roughly chop.

4. MINTY YOGHURT DRESSING In a bowl, combine the coconut yoghurt, ½ of the chopped mint, and 10ml of olive oil. Mix in the remaining pomegranate molasses (to taste) and season. Toss a drizzle of olive oil and some seasoning through the rinsed green leaves.

5. GRAB A BOWL! Dish up a base of steamy red rice. Cover in the fragrant veg and sweet beets. Top with the dressed leaves and dollop over the dairy-free dressing. Garnish with the chopped pecans, remaining mint, and chopped dried apricots. Have a seat, Chef...
