1. **SEEDS** Place the sunflower seeds in a pot over medium heat. Toast until golden brown, 3-4 minutes (shifting occasionally). Remove from the pan and set aside.

2. **GNOCCHI** Return the pot with salted water and bring to a boil for the gnocchi. Cook the gnocchi until they float to the surface, 1-2 minutes. Drain, reserve 300ml [400ml] of the pasta water, and toss through a drizzle of olive oil.

3. **CRISPY GNOCCHI** Return the pot to medium-high heat with a drizzle of oil and a knob of butter. Fry the cooked gnocchi in a single layer until golden, 2-4 minutes (shifting as they colour). Remove from the pot and set aside.

4. **ALL TOGETHER** Return the pot to medium heat with a drizzle of oil. Fry the onion until soft, 4-5 minutes. Mix in the reserved pasta water, the pesto crème, the spinach, the peas, and the gnocchi. Simmer until the peas are warmed through, 3-4 minutes. Remove from the heat and add seasoning.

5. **TIME TO EAT** Bowl up the gnocchi and scatter over the seeds. Well done, Chef!
