Seasoning (salt & pepper)
Paper Towel
Water
Cooking Spray (or oil of your choice)

1. ROAST Preheat the oven to 200°C. Spread the carrot and the onion on a roasting tray. Lightly spray with cooking spray (or oil of your choice) until evenly coated, add oregano, and season. Roast in the hot oven until golden, 25-30 minutes (shifting halfway). Alternatively, air fry at 200°C until crispy, 20-25 minutes (shifting halfway).

2. GREEN PEPPER Lightly spray the pepper with cooking spray and season. When the roast has 10-12 minutes remaining, scatter over the pepper and roast for the remaining time until lightly charred.

3. CREAMY SLAW In a bowl, combine the slaw with spring onion whites, dijon yoghurt, seasoning, and set aside in the fridge.

4. PORK Place a pan over medium-high heat. Pat the pork dry with paper towel and lightly coat with cooking spray or oil (optional) and the NOMU rub. When hot, sear the pork, fat-side down, until crispy, 3-5 minutes. Flip the pork onto its side and sear until browned, 2-3 minutes per side. Remove from the pan and rest for 3-5 minutes before slicing and seasoning.

5. DINNER IS READY Dish up the roast, side with the pork slices, and the creamy slaw. Garnish with the spring onion greens and enjoy, Chef!

Chef's Tip Slice the pork across the grain and with a sharp knife so you don't break up the fibres and push juice out.
