1. NOODLES Boil the kettle. Place the noodles in a bowl and submerge in boiling water. Cook in the microwave until al dente, 10-12 minutes. Drain by placing a plate over the bowl, leaving a small gap for the water to drain, and tilting the bowl over a sink into another bowl to reserve the water.

2. LUNCH IS READY In a bowl, combine the noodles, the pesto, the peas, the sunflower seeds, and the olives. Loosen with the reserved water until saucy consistency and season. Sprinkle over the cheese
