Oil (cooking, olive or coconut)

Seasoning (salt & pepper)

Water

1. CREAMY COCONUT STOCK In a pan, whisk together ½ the curry paste, ½ **[all]** of the stock, coconut milk and 500ml **[800ml]** of water. Heat up until simmering and everything is combined.

2. READY THE RISOTTO Place a pot for the risotto over medium heat with a drizzle of oil. When hot, fry the onion until soft, 3-4 minutes (shifting occasionally). Add the other ½ of the curry paste and the risotto rice. Fry until fragrant, 1-2 minutes (shifting constantly). Add the rice wine vinegar and simmer until almost evaporated, 1-2 minutes. Add a ladleful of the coconut milk mixture and allow it to be absorbed by gently simmering (stirring often). Only add the next ladle of coconut stock when the previous one has been fully absorbed. Repeat this process until the rice is cooked al dente, 25-30 minutes. In the last 5 minutes, add the spinach and allow it to cook until wilted. Remove from the heat and season. Loosen with a splash of warm water if too thick.

3. GOLDEN TOFU While the risotto is cooking, drain the tofu and cut into bite-sized chunks. Place a pan over medium-high heat with a drizzle of oil. Coat the cubes in the tofu rub. When hot, fry the tofu until golden and crispy, 4-6 minutes per side. Remove from the pan and season.

4. SERVE & SAVOUR Bowl up your risotto, top with the crispy tofu, parsley and pumpkin seeds. Enjoy, Chef!

Chef's Tip Place the pumpkin seeds in a pan over medium heat. Toast until golden brown, 3-4 minutes (shifting occasionally). Remove from the pan and set aside.
