## From Your Kitchen

Oil (cooking, olive or coconut)  
Salt & Pepper  
Water  
Tinfoil  
Paper Towel

**1. ROAST** Preheat the oven to 200°C. Spread the butternut half-moons, the garlic cloves, and the sliced corn on a roasting tray. Coat in oil and season. Roast in the hot oven until golden, 30-35 minutes (shifting halfway).

**2. WRAP UP THE STEAK** When the butternut & corn have been roasting for 15-20 minutes, pat the steak dry with paper towel. Place a pan over high heat with a drizzle of oil. When hot, sear the ostrich until browned, 2-3 minutes per side (for medium-rare). In the final 1-2 minutes, baste with the BBQ sauce. Place in a piece of tinfoil and pour in the pan juices. Close up tightly and set aside to rest for 5 minutes before thinly slicing, reserving the juices. Lightly season the slices.

**3. IT'S A GO FOR GREEN BEANS** Place a pan over medium-high heat with a splash of water. When starting to bubble, simmer the green beans until al dente, 5-6 minutes. Remove from the pan and season.

**4. IMPRESSO WITH THE PESTO** Roughly chop the roasted garlic. In a bowl, combine the pesto, the yoghurt, the chopped garlic, and seasoning. Add water in 5ml increments until drizzling consistency.

**5. DINNER IS SERVED** Plate up the roasted butternut & corn. Side with the green beans and the BBQ steak slices. Drizzle over the pesto dressing and garnish with the chopped parsley. Well done Chef!

## Chef's Tip

If you have the time, light up the braai and grill the steak and the corn on the cob over the hot coals instead of in the pan. You'll get that unbeatable braai smoke flavour, as well as a festive evening!
