Sugar/Sweetener/Honey

1. MAGIC PATTY Boil the kettle. Place the burger mix, some seasoning and 360ml of boiling water in a shallow bowl. Mix well to combine, but not for longer than about 30 seconds. Cover with a plate and set aside for at least 10 minutes.

2. ONIONS WITH A KICK! Place a nonstick pan over a medium heat with a drizzle of oil. When hot, fry the sliced onions with a sweetener of choice for 7-8 minutes until soft and slightly caramelised. Add the grated garlic, ginger, soy sauce, a squeeze of lime juice and fry for about a minute. Remove from the pan and set aside.

3. SPICY SLAW Wipe down the pan and return to a medium heat with a drizzle of oil. When hot, add in the drained cannellini beans and fry for 6-7 until golden. Add in the cabbage and carrot mix and cook for 3-4 minutes until cooked but still crunchy, stirring occasionally. Remove from the heat, add the cooked onions, sriracha, seasoning to taste and toss to combine.

4. GET THOSE BURGERS SIZZLIN'! When the burger mixture is ready to roll, shape it into about a 1cm thick patty. Wipe down the pan and return to a medium-high heat with enough oil to cover the base. When hot, fry the patties for 3-4 minutes per side until golden brown and crispy. Remove from the pan on completion and set aside to drain on paper towel. Wipe down the pan and return it to a medium heat, toast the burger bun, cut-side down for about a minute until golden and crisped.

5. FUSION BURGER! Time to load up your burger! Smear the kewpie mayo on the bottom half of the bun and top with some rinsed green leaves, the crispy burger patty and a generous helping of spicy asian slaw. Drizzle over any remaining sriracha and close up the burger with the other half of the bun. Serve with the remaining asian slaw and a lime wedge on the side! Well done, Chef!
