## From Your Kitchen

Oil (cooking, olive or coconut)  
Salt & Pepper  
Water  
Sugar/Sweetener/Honey  
Paper Towel

**1. NEVER SAY NO TO NOODLES** Bring a pot of salted water to boil for the noodles. Cook the noodles until al dente, 7-8 minutes. Drain and rinse in cold water. Toss through the soy sauce (to taste), cover to keep warm, and set aside.

**2. ACT CASHEWAL...** Place the chopped cashews in a deep pan over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside.

**3. CRISPY, PERFECT PORK** Return the pan to a medium-high heat. Pat the pork belly pieces dry with paper towel. When hot, add the pork pieces (the pork will render its own fat) and fry until crispy and cooked through, 4-8 minutes per side. Remove from the pan and drain on paper towel.

**4. A LIL SWEET & A LIL SOUR** Return the pan to a medium-high heat with a drizzle of oil. When hot, add the onion slice. Fry until soft, 6-8 minutes (shifting occasionally). Add the grated garlic and fry until fragrant, 1-2 minutes (shifting constantly). Mix through the pineapple pieces, the sweet 'n sour sauce, and 60ml of a sweetener. Allow to come to the boil, then immediately remove from heat. Stir through the pork and chopped pepper until fully coated. Season.

**5. STICKY & SATISFYING SUPPER** Serve up the soy-infused noodles and smother in sweet 'n sour pork. Scatter over the toasted cashews and the chopped coriander. Simply gorgeous, Chef!
