1. **PERFECT PUREE** Place the beetroot in a pot of salted water. Bring to a boil and cook until soft, 15-20 minutes. Drain, reserve some water, and place the beetroot with a splash of water in a blender and blend until smooth. Season and cover.

2. **UN-BEET-ABLE** Boil the kettle. Dilute the stock with 1.2L [1.8L] of boiling water. Place a pot for the risotto over medium heat with a drizzle of oil. When hot, fry the onion until soft, 5-6 minutes (shifting occasionally). Add the garlic, thyme, and the risotto rice. Fry until fragrant, 1-2 minutes (shifting constantly). Add the wine and simmer until almost evaporated, 1-2 minutes. Add a ladleful of the stock and allow it to be absorbed by gently simmering (stirring often). Only add the next ladle of stock when the previous one has been fully absorbed. Repeat this process until the rice is cooked al dente, 20-25 minutes. In the final 1-2 minutes, add ½ of the nutritional yeast. Remove from the heat and stir through the balsamic reduction and the beetroot purée. Loosen with the reserved water in 5ml increments if it's too thick.

3. **RUBY RISOTTO** Bowl up your risotto, top with dollops of cashew nut cream cheese, pumpkin seeds, the remaining nutritional yeast, and chives. Enjoy your meal, Chef.
