Oil (cooking, olive or coconut)
Seasoning (salt & pepper)
Water

1. NOT YOUR AVERAGE RICE Place the rice in a pot with 450ml [600ml] of salted water. Cover and bring to a boil. Reduce the heat and simmer until the water has been absorbed, 8-10 minutes. Remove from the heat and set aside to steam, 8-10 minutes. Fluff with a fork, stir through the pak choi leaves, and ½ the dressing. Set aside.

2. ASIAN DRESSING In a small bowl, loosen the miso paste with the remaining Asian dressing. Add the macadamia yoghurt, the ginger (to taste), and seasoning. Loosen with a splash of water (if necessary). Set aside.

3. TOASTED Place the mixed sesame seeds in a pan over medium heat. Toast until golden brown, 2-3 minutes (shifting occasionally). Remove from the pan and set aside.

4. GREEN IS GOOD Return the pan to medium-high heat with a drizzle of oil. When hot, fry the green beans and the pak choi stems until starting to char, 5-6 [6-7] minutes (shifting occasionally). In the final 1-2 minutes, add the edamame beans. Remove from the pan, season, and cover.

5. GET BOWLED OVER! Bowl up the loaded rice. Top with the green beans and edamame beans. Dollop over the guacamole. Drizzle over the remaining dressing and sprinkle over the sesame seeds. Garnish with the pickled ginger. Wow, Chef!
