Cooking Spray (or oil of your choice)

Seasoning (salt & pepper)

Water

Paper Towel

1. BEGIN WITH BEETS Set the air fryer to 200°C. Spread the beetroot in the air fryer basket. Lightly coat with cooking spray or oil (optional) and seasoning. Air fry until crispy, 25-30 minutes (shifting halfway). Alternatively, preheat the oven to 220°C, roast the beets until cooked through and lightly golden, 35-40 minutes (shifting halfway).

2. GREEK-SPICED PORK Place a pan (that has a lid) over medium heat with a drizzle of oil. Pat the pork dry with paper towel and lightly coat with cooking spray or oil (optional) and the Greek seasoning. When hot, sear the pork until browned, 2-3 minutes on all sides. Flip, cover with the lid, lower the heat to medium-low, and fry until cooked through, 8-12 minutes. Remove from the pan and rest for 5 minutes before slicing and seasoning.

3. FETA & APPLE SALAD To a salad bowl, add the salad leaves, apple, feta, the dressing, and seasoning.

4. SET THE TABLE Plate up the salad, top with the beets, and serve the pork slices on the side. Enjoy.

Chef's Tip The beetroot skin adds flavour and nutrients, but can be removed if you prefer. If you're leaving it on, remember to rinse it well!
