## From Your Kitchen

Oil (cooking, olive or coconut)  
Salt & Pepper  
Water  
Paper Towel

**1. MOROCCAN-SPICED ROAST** Preheat the oven to 200°C. Spread out the carrot wedges on a roasting tray. Coat in oil, half of the Moroccan Rub, and some seasoning. Roast in the hot oven for 30-35 minutes. Place the broccoli pieces in a bowl. Coat in oil, the remaining Moroccan Rub, and some seasoning. At the halfway mark, give the carrots a shift and add the broccoli pieces to the tray. Return to the oven for the remaining roasting time until the veggies are cooked through and crisping up.

**2. COOK THE BULGUR** Boil the kettle. Using a shallow bowl, submerge the bulgur wheat and the stock in 150ml of boiling water. Add a drizzle of oil and gently stir through with a fork. Cover with a plate and set aside to steam for 15-20 minutes. Once cooked, fluff up with the fork.

**3. PICKLED VEG & HUMMUS DRESSING** Place the diced cucumber, the chopped piquanté peppers, and three-quarters of the chopped coriander in a salad bowl. Pour in the white wine vinegar and toss to coat. Season to taste and set aside to pickle. In a small bowl, combine the hummus with 1 tsp of olive oil and add water in 5ml increments until drizzling consistency. Season to taste and set aside for serving.

**4. SEAR THE LEAN OSTRICH** When the veggies reach the halfway mark, place a pan over a medium-high heat with a drizzle of oil. Pat the ostrich steak dry with some paper towel. When the pan is hot, fry the steak for 6-8 minutes, shifting and turning as it colours until browned and cooked to your preference. (The time frame recommended will yield a medium-rare result.) Remove from the pan on completion and set aside to rest for 5 minutes before thinly slicing. Lightly season the slices.

**5. JUST BEFORE SERVING...** Add the cooked bulgur wheat to the bowl of pickled veg and gently toss to combine.

**6. DINNER AWAITS!** Serve up some crispy carrot wedges and charred broccoli alongside a mound of bulgur salad. Top with the slices of ostrich steak, a drizzle of hummus dressing, and a sprinkling of the remaining chopped coriander. Well done, Chef!

## Chef's Tip

Broccoli is very high in vitamin C – even more so than oranges! Vitamin C supports the immune system and assists the body's responses that fight foreign pathogens. Steam, roast, or pan fry some broccoli for a delicious vitamin C injection into just about any meal!
