1. CRISP THE CARROT Preheat the oven to 200°C. Spread out the carrot wedges on a roasting tray, coat in oil, the peri-peri rub and seasoning. Roast in the hot oven for 35-40 minutes until cooked through and crisping up, shifting halfway.

2. CRUNCHY SEEDS Place the pumpkin seeds in a pan over a medium heat. Toast for 3-5 minutes until they begin to pop and turn gold. Remove from the pan.

3. HOMEMADE CHIMICHURRI In a bowl, add the chopped parsley, the chopped coriander, the sliced chilli (to taste), 60ml of olive oil, some lemon zest, a squeeze of lemon juice and some seasoning. Mix until fully combined.

4. SIZZLING STEAK When the wedges have 10-15 minutes remaining, return the pan to a medium-high heat with a drizzle of oil. Pat the steaks dry with some paper towel and season. When the pan is hot, sear the steaks, fat-side down, for about 3-5 minutes until the fat is crispy. Then, cook each side for 3-4 minutes, or until cooked to your preference. (The time this takes will depend on the thickness of the steaks.) In the final minute, baste the steaks with a knob of butter. Remove from the pan and allow to rest for 5 minutes before slicing. Lightly season the slices.

5. ASSEMBLE THE SALAD In a salad bowl, add the rinsed salad leaves, the cucumber half-moons, the radish rounds, a drizzle of olive oil, and a squeeze of lemon juice. Crumble in the feta, toss to combine, and season to taste.

6. SASSY STEAK DINNER Plate up the crispy carrot wedges alongside the fragrant beef rump slices. Drizzle the chimichurri over the beef. Serve the fresh salad on the side with a scattering of toasted pumpkin seeds. Time for your taste buds to tango!
