Cooking Spray

- 1. ROAST BUTTERNUT** Preheat the oven to 200°C. Spread the butternut on a roasting tray. Lightly add cooking spray and season. Roast in the hot oven until golden, 25-30 minutes (shifting halfway). Alternatively, air fry at 200°C until crispy, 20-25 minutes (shifting halfway).
- 2. KALE PREP** Place the kale in a bowl, lightly add cooking spray and season. Using your hands, massage until softened and coated.
- 3. CHERRY TOMATO SAUCE** Place a pan over medium heat, and lightly add cooking spray. When hot, fry the tomatoes, the garlic, and the rosemary sprigs until the tomatoes are blistered, 5-6 minutes. Press the tomatoes down with the back of a wooden spoon until saucy. Add the balsamic vinegar and simmer, 1-2 minutes. Remove from the heat and discard the rosemary sprigs and season.
- 4. CRISPY KALE** When the butternut has been roasting for 8-10 minutes, scatter the kale over the butternut and roast for the remaining time until crispy.
- 5. SIZZLING STEAK** Place a clean pan over medium-high heat and lightly add cooking spray. Pat the ostrich dry with paper towel. When hot, sear the ostrich until browned, 2-3 minutes per side (for medium-rare). Remove from the pan and set aside to rest for 5 minutes before slicing and seasoning.
- 6. TIME TO DINE** Plate up the roasted veggies alongside the baby tomato sauce and top the sauce with the steak slices. Crumble over the feta and dollop the chimichurri sauce over everything. Enjoy, Chef!
