- 1. BEGIN THE BEETS** Preheat the oven to 200°C. Spread the beetroot on a roasting tray. Coat in oil and season. Roast in the hot oven until crispy, 30-35 minutes (shifting halfway).
- 2. ALL THE ALMONDS** Place the almonds in a pan over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside.
- 3. SIZZLING STEAK** When the beetroot has 5-10 minutes remaining, return the pan over medium-high heat with a drizzle of oil. Pat the steak dry with paper towel. When hot, sear the steak fat-side down until crispy, 3-5 minutes. Flip the steak and sear until browned, 2-4 minutes per side (for medium-rare). In the final minute, baste with a knob of butter and the NOMU rub. Remove from the pan and rest for 5 minutes before slicing and seasoning.
- 4. MUSTARD DRESSING** Once the beetroot has finished roasting, remove from the oven and transfer into a bowl. While they are still warm, mix in the creamy mustard, ½ the spring onion and some lemon juice (to taste). Season and set aside.
- 5. NUTTY SALAD** In a bowl, mix together the salad leaves, cucumber, almonds, olive oil, a sweetener (to taste), and the remaining lemon juice (to taste). Season.
- 6. SO SATISFYING** Make a bed of nutty salad. Side with the creamy beets and steak slices. Garnish with the remaining spring onion. Yum, Chef!
