From Your Kitchen

Oil (cooking, olive or coconut)
Seasoning (salt & pepper)
Water
Paper Towel
Sugar/Sweetener/Honey

1. RICE Place the rinsed rice in a pot with 400ml of salted water. Cover with a lid and bring to a boil. Reduce the heat and simmer until the water has been absorbed, about 10 minutes. Remove from the heat and set aside to steam, 8-10 minutes. Fluff with a fork and cover.

2. GREEN BEANS Place a pan over medium-high heat with a drizzle of oil. When hot, fry the green beans until starting to char, 3-4 minutes (shifting occasionally). Remove from the pan, season, and cover.

3. STEAK In a small bowl, combine the grated ginger, 10ml of sweetener, the gochujang (to taste), and the Korean sauce. Return the pan to medium-high heat with a drizzle of oil. Pat the steak dry with paper towel. When hot, sear the steak fat-side down until crispy, 3-5 minutes. Flip the steak and sear until browned, 2-4 minutes per side (for medium-rare). In the final minute, remove the pan from the heat and baste the steak with the Korean sauce mixture. Remove from the pan with all the pan juices. Rest before slicing and seasoning.

4. DINNER IS READY Bowl up the rice, top with the steak slices, and side with the charred green beans. Drizzle over the reserved pan juices and sprinkle over the sesame seeds. Well done, Chef!
