1. FOR THE HEALTH NUTS Place the cashews in a pan over a medium heat. Toast for 3-5 minutes until golden, shifting occasionally. Remove from the pan and set aside. Roughly chop when cool enough to handle.

2. TASTY TOFU Pat the tofu cubes dry with paper towel. Return the pan to a medium-high heat with a drizzle of oil. When hot, fry the tofu for 5-6 minutes, turning until crispy and golden all over. For the crispiest results, you'll need to do this step in batches to avoid overcrowding the pan. Remove from the pan and set aside.

3. GO FOR GREENS While the tofu is cooking, place another pan over a medium heat with a drizzle of oil. When hot, add the sliced green beans and fry for 6-8 minutes. Add the grated ginger and the spring onion whites, and fry for 1 minute until fragrant, shifting constantly. Add the carrot ribbons, the edamame beans, and the shredded spinach, and sauté for 2-3 minutes until the leaves are wilting. Stir through the Asian sauce and remove from the heat. Season if needed.

4. MIX THE MISO GLAZE In a small bowl, add the miso glaze and a drizzle of oil. Mix to combine.

5. CARAMELISE, SPRINKLE & COMBINE Once the tofu has browned, add the miso glaze and cook for a further 2-3 minutes, until well coated and starting to caramelize. Remove from the heat, sprinkle over the black sesame seeds, and toss to combine.

6. A VEGETARIAN FEAST! Plate up the stir-fried veggies and top with the miso tofu cubes. Garnish with the spring onion greens and toasted cashew nuts. Enjoy, Chef!
