1. SO SOFRITO! Boil a full kettle. Place a pan, big enough for the paella, over medium heat with a drizzle of oil. When hot, fry the diced onion until soft and browned, 5-6 minutes (shifting occasionally). Add the grated garlic, the NOMU rub, and the tomato paste. Fry until fragrant, 1-2 minutes (shifting occasionally). Pour in the golden wine and cook until almost evaporated, 1-2 minutes.

2. FLAVOURFUL RICE When almost all of the wine has evaporated, stir through the rice. Fry until combined, 1-2 minutes. Add the cooked chopped tomato and mix until combined. Slowly pour in 700ml of boiling water. Bring to a boil, reduce the heat to low, and simmer until the rice is al dente and all the liquid has been absorbed, 15-20 minutes. If the rice is still undercooked, add an extra splash of water and simmer until al dente.

3. KEEP IT LEMONY Once the paella is cooked, add the peas, ½ the chopped parsley, the lemon juice (to taste), a sweetener, and seasoning. Remove from the heat, cover with tinfoil, and steam, for 5-8 minutes.

4. SIZZLING SQUID Rinse the squid to remove any residue. Pat dry with paper towel. Cut into bite-sized pieces. Place a pan or griddle pan over high heat with a drizzle of oil. When hot, sauté the squid until cooked through and charred, 1-2 minutes per side. Lightly season.

5. INDULGE YOUR SENSES Dish up the paella. Scatter over the seared squid and the chopped piquanté peppers. Garnish with the remaining chopped parsley. Stunning, Chef!
