## From Your Kitchen

Oil (cooking, olive or coconut)  
Salt & Pepper  
Water  
Paper Towel

**1. READY THE RICE** Place the rinsed rice in a pot with 400ml of salted water. Cover and bring to a boil. Reduce the heat and simmer until the water has been absorbed, about 10 minutes. Remove from the heat and set aside to steam, 8-10 minutes. Fluff with a fork and cover.

**2. SEEDS & NUTS** Place the sesame seeds in a pan over medium heat. Toast until golden brown, 2-3 minutes (shifting occasionally). Remove from the pan and set aside. Return the pan to medium heat with the chopped cashews. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside separately from the sesame seeds.

**3. BEAN THERE** Return the pan to medium-high heat with a drizzle of oil. When hot, add the rinsed green beans and fry until starting to char, 5-6 minutes (shifting occasionally). Remove from the pan, season, and cover.

**4. PEPPERY SALAD** Place the cucumber and radish into a bowl and toss with ½ the chopped coriander, a drizzle of olive oil and seasoning. Set aside. Loosen the mayo with water in 5ml increments until drizzling consistency. Set aside.

**5. PORK BELLY** Return the pan to medium-high heat. Pat the pork belly chunks dry with paper towel and lightly season. When the pan is hot, sear the pork chunks until browned and cooked through (the pork will render its own fat), 3-5 minutes per side. Remove from the heat, drain any excess oil, and toss through the sticky sauce and ½ the toasted sesame seeds.

**6. ALL DONE!** Dish up a bowl of jasmine rice. Top with the charred green beans and the sticky pork belly. Spoon over any remaining sauce from the pan. Serve the radish & cucumber salad alongside. Drizzle over the loosened mayo. Sprinkle over the remaining sesame seeds and coriander and the toasted cashews. Yummy, Chef!
