From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Paper Towel
Butter

1. QUINOA Place the rinsed quinoa in a pot with 300ml of salted water. Cover with a lid and bring to a boil. Reduce the heat and simmer until the tails have popped out, 12-15 minutes. Remove from the heat and drain (if necessary). Set aside to steam, about 5 minutes.

2. SOME PREP Rinse the green beans, the mint, and the cucumber. Drain and dice the piquante peppers. Trim and halve the green beans. Roughly chop the mint and dice the cucumber. Peel and grate the garlic. Loosen the harissa paste with 4 tbsp of water and set aside.

3. TOAST Place the pumpkin seeds in a pan over medium heat. Toast until golden brown, 3-4 minutes (shifting occasionally). Remove from the pan and set aside.

4. GREEN BEANS Return the pan to medium heat with a drizzle of oil and a knob of butter. When hot, fry the halved green beans until lightly charred but still crunchy, 4-5 minutes. In the final minute, add the grated garlic and fry until fragrant. Season and remove from the pan.

5. CHICKEN Return the pan to medium heat with a drizzle of oil. Pat the chicken dry with paper towel. When hot, fry the chicken until golden and cooked through, 1-2 minutes per side. You may need to do this step in batches. In the final minutes, baste with the loosened harissa. Remove from the pan with all the pan juices, and season.

6. LOADED QUINOA In a salad bowl, combine the fluffy quinoa, the diced cucumber, the garlicky green beans, the chopped mint, the diced peppers, the lemon juice (to taste), and seasoning.

7. TIME TO EAT Plate up the loaded quinoa. Top with the chicken and all the pan juices. Sprinkle over the toasted seeds. Enjoy, Chef!
