1. ROAST TATOES Preheat the oven to 220°C. Spread the halved baby potatoes on a roasting tray. Coat in oil, the NOMU rub, and seasoning. Roast in the hot oven until crispy, 30-35 minutes (shifting halfway).

2. SOME PREP Peel and finely dice the onion. Peel and grate the garlic. Rinse, deseed, and finely slice the chillies.

3. SEAR THE SIRLOIN When the roast has 10-15 minutes to go, place a pan over medium-high heat with a drizzle of oil. Pat the steak dry with paper towel. When hot, sear the steak, fat-side down, until crispy, 3-5 minutes. Flip the steak and sear until browned, 2-4 minutes per side (for medium-rare). In the final minute, baste with a knob of butter. Remove from the pan, wrap it up in tinfoil, and set aside. Season and slice before serving.

4. UMAMI SAUCE Return the pan to medium heat with a knob of butter. When hot, fry the diced onion until soft, 3-4 minutes. Add the grated garlic and the sliced chilli (to taste). Fry until fragrant, 1-2 minutes. Deglaze the pan with 200ml of water and add the Asian sauce. Simmer until warmed through and thickening, 4-6 minutes. Add a sweetener.

5. FRESH SALAD Rinse the green leaves and the radish. Thinly slice the radish into rounds. In a salad bowl, combine the vinegar, a drizzle of olive oil, and a sweetener. Toss through the leaves and the radish rounds, and season.

6. DINNER IS READY Plate up the roasted potatoes, side with the steak slices, and pour over the umami sauce. Serve the fresh salad alongside. Good job, Chef!
