From Your Kitchen

Oil (cooking, olive OR coconut)
Seasoning (Salt & Pepper)
Water
Butter (optional)
Paper Towel

1. GET GOING Boil the kettle. Dilute the stock and herb mix with 360ml [480ml] of boiling water and set aside. Bring a pot of salted water to a boil for the pasta. Cook the pasta until al dente, 10-12 minutes. Drain and toss through a drizzle of olive oil.

2. FRY UP Place the sunflower seeds in a pan (large enough for the ostrich) over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside. Return the pan to high heat with a drizzle of oil. Pat the ostrich strips dry with paper towel. Fry until browned, 1-2 minutes (shifting occasionally). Remove from the pan, season, and set aside. Return the pan to medium-high heat with another drizzle of oil and a knob of butter (optional). Fry the mushrooms until golden, 5-6 minutes (shifting occasionally). Remove from the pan, add to the bowl of ostrich, and season.

3. SILKY SAUCE Wipe down the pan and return it to medium heat with a drizzle of oil. When hot, sauté the onion and carrot until softening, 5-6 minutes (shifting occasionally). Add the smoked paprika and sauté until fragrant, 30-60 seconds. Stir through the flour and fry, 30-60 seconds (shifting constantly). Gradually mix in the diluted stock mix, stirring continuously to prevent lumps. Bring to a simmer and cook until thickened, 5-6 [6-7] minutes (stirring occasionally).

4. SO CREAMY! When the sauce has thickened, add the ostrich, mushrooms, and spinach, and simmer until cooked through, 1-2 minutes. Stir in the sour cream until combined, 1-2 minutes. Season and remove from the heat.

5. NEXT LEVEL YUM! Plate up the pasta and spoon over the creamy ostrich. Voilà, Chef!
