Sugar/Sweetener/Honey

1. MIX THE MEATBALLS In a bowl, combine the mince, the diced onion (to taste), seasoning, and ½ the NOMU rub. Wet your hands slightly to stop the mixture from sticking to them and roll into 4-5 meatballs per portion.

2. FRYING FRENZY Place a pan, with a lid, over medium heat with a drizzle of oil. When hot, add the meatballs and fry until browned but not cooked through, 1-2 minutes per side. Remove from the pan.

3. CHILLI CON CAN! Return the pan to medium heat with a drizzle of oil. When hot, add the sliced onion and the corn and fry until soft, 4-5 minutes (shifting occasionally). Add the chopped chilli (to taste) and the remaining rub. Fry until fragrant, 1-2 minutes (shifting constantly). Add the cooked chopped tomato, 250ml of water, and the browned meatballs. Once simmering, reduce the heat and cook until reduced and thickened, 12-15 minutes (stirring occasionally). In the final 4-5 minutes, add the drained kidney beans.

4. TOASTY TORTILLAS While the sauce is simmering, rinse and roughly chop the chives. In a bowl, combine the sour cream, ½ the chopped chives, and seasoning. Place a pan over medium-high heat. When hot, add the tortillas and toast until golden, 1-2 minutes per side. Slice into quarters.

5. MMMELTED CHEESE When the chilli con carne is done, add seasoning and a sweetener. Sprinkle over the grated cheese and cover with the lid to melt, 2-3 minutes.

6. DIVE IN! Plate up the cheesy chilli con carne. Side with the tortilla quarters and dollop over the chive sour cream. Garnish with the remaining chives. There you go, Chef!
