From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Paper Towel

1. OODLES OF NOODLES Boil the kettle. Place the noodles in a bowl and submerge in boiling water. Season and set aside to rehydrate, 10-12 minutes. Drain and toss through a drizzle of olive oil. Set aside.

2. FRY THE CHICKEN FILLETS Place a pan over medium heat with a drizzle of oil. Pat the chicken dry with paper towel. When hot, fry the chicken until golden and cooked through, 1-2 minutes per side. You may need to do this step in batches. Remove from the pan, season, and set aside.

3. PAK CHOI & PAD THAI Finely slice the pak choi stems and set aside. Roughly shred the leafy parts, keeping them separate from the stems. Return the pan to medium heat with a drizzle of oil. When hot, fry the pak choi stems until charred, 4-5 minutes. Mix through the pad thai sauce and the pak choi leaves. Simmer until reduced, 2-3 minutes (stirring occasionally). Remove from the heat and mix through the chilli & garlic flakes, the cooked noodles, and the cooked chicken with the resting juices. Loosen with a splash of water, season, and set aside.

4. TO THAI FOR Plate up the tasty chicken & noodle pad thai. Garnish with the chopped peanuts and the sliced spring onions.

Chef's Tip

Place the chopped peanuts in a pan over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside.
