From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Butter (optional)
Paper Towel

1. POP THE PUMPKIN SEEDS Place the pumpkin seeds in a pan over medium heat. Toast until golden brown, 3-4 minutes (shifting occasionally). Remove from the pan and set aside.

2. CHAR THE CORN Place a pan over high heat with a drizzle of oil. When hot, fry the corn until lightly charred, 3-4 minutes (shifting occasionally). Remove from the pan and set aside.

3. COOK THE MARROWS Return the pan to medium heat with a drizzle of oil. When hot, fry the baby marrow pieces until charred, 3-4 minutes. Remove from the pan and season.

4. BOWL THEM OVER In a bowl, combine the sliced chilli (to taste), the charred corn, the charred baby marrow, the lemon juice, ½ the chopped coriander, the chopped sun-dried tomatoes, a drizzle of olive oil, and seasoning. Set aside.

5. GOLDEN PORK IN A PAN Pat the pork neck steak dry with paper towel and season. Return the pan to medium-high heat with a drizzle of oil. When hot, fry the pork until cooked through and golden, 4-6 minutes per side, depending on the thickness. In the final minute, baste with a knob of butter (optional) and the NOMU spice blend. Remove from the pan and rest for 5 minutes before slicing and seasoning.

6. DINNER? DONE! Plate up the rinsed green leaves, top with the loaded baby marrow, and crumble over the drained feta. Scatter over the remaining coriander and the toasted pumpkin seeds. Serve the pork slices on the side.
