Ingredients & Prep

300ml	White Basmati Rice <i>rinsed</i>
5ml	Turmeric
40g	Almonds
2	Onions <i>peeled & finely sliced</i>
4	Rainbow Trout Fillets
2	Tomatoes <i>rinsed & diced</i>
160g	Peas
2	Lemons <i>cut into wedges</i>
85ml	That Mayo (Garlic)
20ml	Medium Curry Powder
15g	Fresh Parsley <i>rinsed, picked & roughly chopped</i>

From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Egg/s (optional)
Milk (optional)
Butter (optional)

1. GOLDEN RICE Place the rinsed rice in a pot with the turmeric over a medium-high heat. Submerge in 600ml of salted water and pop on a lid. Once boiling, reduce the heat and simmer for 25-30 minutes until most of the water has been absorbed. Keeping the lid on, remove from the heat and set aside to steam for a further 10 minutes. On completion, drain if necessary and fluff up with a fork.

2. ALL ABOUT ALMONDS Boil the kettle. Place a pan over a medium-high heat. Toast the almonds for 3-5 minutes until golden brown. Remove from the pan on completion and set aside. Return the pan to a medium heat with a drizzle of oil and a knob of butter (optional). When hot, fry the sliced onion for 15-20 minutes until golden brown and starting to crisp up. Remove from the heat and season. Set $\frac{1}{4}$ of the onions aside for garnishing (keep the rest of the onions in the pan).

3. ABOUT THE TROUT... In a large pot, add 200ml of boiling water, 120ml of milk (optional), a generous pinch of salt, and bring to a boil. Place the trout in the pot and top up with boiling water until the trout is submerged. Cook uncovered for 6 minutes, or until the thickest part of the trout turns opaque. Remove the trout from the pot and discard the poaching liquid. Carefully remove any skin or bones before flaking the trout into large chunks.

4. OPTIONAL EGG Bring a small pot of water to the boil. Once boiling, place 4 eggs in the pot and cook for 6 minutes for medium-soft, 6-8 minutes for medium, and 8-10 minutes for a medium-hard boiled egg. On completion, remove the eggs from the pot and submerge in cold water. Peel when cool enough to handle and quarter.

5. PEDEGREE KEDGEREE Return the pan with the onions to a medium heat. Add the cooked rice, diced tomatoes, and peas, and cook for 2 minutes until heated through. Remove from the heat, gently mix in the flaked trout, the juice from 4 lemon wedges, and seasoning. If using eggs, add $\frac{3}{4}$ of the boiled egg quarters to the rice. In a small bowl, combine the garlic mayo with the curry powder, a squeeze of lemon juice, and season.

6. SO FINE! Plate up the hearty kedgerree and sprinkle over the chopped parsley. Dollop with curried garlic mayo and garnish with the reserved crispy onions, the remaining egg (if used), toasted almonds, and lemon wedges. Dig in!

Chef's Tip

The fried onions should be deep brown but not burnt, so if it's browning too quickly, reduce the heat. If bits get stuck to the pot, deglaze it with drops of water and a good scrape.
