From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Tinfoil
Milk (optional)

1. GET THE QUINOA GOING Preheat the oven to 220°C. Rinse the quinoa and place in a pot with the stock. Submerge in 400ml of water and give a stir. Place over a medium-high heat and bring to a simmer uncovered. Cook for 12-15 minutes until the quinoa is fluffy and the tails have popped out, adding more water if required during the cooking process. On completion, drain if necessary and return to the pot. Cover with a lid and allow to stand off the heat for 5 minutes.

2. MARINATION STATION! Place ½ of the quartered baby tomatoes in a bowl. Add ¾ of the sliced mint, a pinch of salt, and a drizzle of oil. Toss to coat and set aside to marinate until serving.

3. QUINOA MINCE When the quinoa is cooked, transfer to a tinfoil-lined baking tray. Stir through the Mexican spice blend (to taste), and the grated garlic. Gently toss through the tomato salsa, the drained kidney beans, the remaining baby tomatoes, and ¾ of the sliced spring onions. Add a generous drizzle of oil and some seasoning. Toss to coat and spread out in an even layer. Bake in the hot oven for 20-25 minutes, mixing at the halfway mark to ensure even cooking. On completion, the quinoa should be crispy and have a smoky aroma.

4. TOAST TORTILLAS! When the baked quinoa has 5 minutes remaining, place a dry pan over a medium heat. When hot, warm the tacos for about 30-60 seconds per side until heated through and lightly toasted. Alternatively, spread them out on a plate in a single layer and heat up in the microwave for 30-60 seconds. Or, heat up in the oven for 2-3 minutes if you prefer. Once heated, stack on a plate on top of one another and cover with a tea towel to keep warm. Loosen the coconut yoghurt with water or milk in 5ml increments until thick drizzling consistency and season.

5. ASSEMBLE THE TACO TROOPS! Lay out the warm tacos, and pile the quinoa 'mince' in the centre. Cover with the minty tomatoes and sprinkle over the fresh, sliced chilli to taste. Drizzle over the coconut yoghurt and garnish with the remaining spring onion and mint. Fold up and enjoy!
