Ingredients & Prep

750g	Sweet Potato Chunks <i>rinsed & cut into bite-sized pieces</i>
8g	Fresh Sage <i>rinsed, picked & dried</i>
15ml	Chicken Stock
30ml	Dijon Mustard
2	Apples
30g	Walnuts <i>roughly chopped</i>
540g	Pork Kassler Loin Steak
2	Onions <i>peeled & cut into wedges</i>
60g	Salad Leaves <i>rinsed & roughly shredded</i>
30ml	Red Wine Vinegar

From Your Kitchen

Oil (cooking, olive or coconut)
Salt & Pepper
Water
Paper Towel
Butter (optional)

1. SAGE & SWEET POTATO Place the sweet potato pieces in a pot of salted water. Bring to a boil and cook until soft, 20-25 minutes. Drain and return to the pot. Add ½ the rinsed sage, a knob of butter (optional) or a drizzle of oil, and seasoning. Toss until the sweet potato pieces are fully coated. Cover.

2. LET'S PREP Boil the kettle. While the sweet potatoes are cooking, place the stock in a bowl. Add the Dijon mustard and 300ml of boiling water. Mix until fully combined. Rinse and slice 1½ apples into wedges, setting aside the remaining half for another meal.

3. TOAST Place the chopped walnuts in a pan over medium heat. Toast until golden brown, 2-4 minutes (shifting occasionally). Remove from the pan and set aside.

4. KASSLER & SAUCE Pat the kassler dry with paper towel. Using a pair of kitchen scissors or a knife, make a few shallow incisions along the fat to prevent the kassler from buckling during frying. Return the pan to medium-high heat. When hot, sear the kassler fat-side down until crispy, 3-5 minutes. Flip the kassler and sear until browned, 3-4 minutes per side. Add the apple & onion wedges. Fry until the apple has softened, 4-5 minutes (shifting frequently). Add the remaining sage and the mustard stock mix. Leave to simmer until the liquid has reduced and slightly thickened, 4-5 minutes. Season.

5. CRUNCHY SALAD In a bowl, combine the rinsed salad leaves, the toasted nuts, the red wine vinegar (to taste), a drizzle of olive oil, and seasoning.

6. KLASSIC KASSLER Plate up the kassler. Top with the apple & mustard sauce. Serve with the sage sweet potato and the walnut salad. Wow, Chef!

Chef's Tip

To prevent the sliced apple from browning, place in a bowl of water with a squeeze of lemon juice.
